Botón

A collection of black and white UI elements. At the top are two thick black horizontal bars. Below them are two thin black horizontal lines. Then there is a white rounded rectangle with a black horizontal line inside and a black downward-pointing triangle on the right. Below that is a single thin black horizontal line. At the bottom are two black rounded rectangles, each containing the white text 'Botón'.

The image consists of a solid dark gray background. Overlaid on this background are several thin, horizontal white lines. These lines are evenly spaced and run across the entire width of the image, creating a striped pattern.
